---------	---------	------------------------	----------------	--------------

- Production date:** Month and year the production was sold.
- Product code:** Product for which payment is being made.
- BTU (British Thermal Unit):** Heating value of gas.
- Type Interest:** Type of ownership interest being paid; (*W* = working; *R* = royalty; *ORR* = override)
- Price:** Price per unit of production.
- Gross Volume:** Gross volume (barrels or MCF) sold for a sales transaction to a purchaser. There may be more than one sale of oil, condensate or other products in a single month.
- Gross Value:** Total value of product sold from property.
- Gross Deductions:** Costs associated with delivering products to market, downstream processing costs and allowed fees for gathering and transportation.
- Gross Net:** Value of sales after deductions and taxes are paid.
- Interest:** Owner interest (share of total revenue) for the property.
- Paid Interest:** Owner payment decimal; this may differ from the owner interest due to marketing elections and product balancing.
- Owner Value:** Owner share of property net value.
- Owner Deductions:** Owner share of property taxes and/or adjustments.
- Owner Net Share:** Owner value less owner deductions; owner payment amount.
- Property:** Property identification number and name and location.
- Owner number:** Unique number for an owner's account; please include this number when contacting owner relations.
