Your Customer's Company Name:

Next >>

5. Once complete, select "Next" and the following information will display on your screen.

Your registration is pending email confirmation.

Thank you for your interest in OpenInvoice, an easy-to-use web-based tool that enables you to create and submit invoices electronically, facilitate dispute resolution as well as track invoice and payment status online. To complete the registration process, your e-mail address must be confirmed. Please check your e-mail inbox for a confirmation e-mail message, open it and click on the provided link.
Note: if the message is not received within the next few minutes, please check your e-mail filtering settings and filtered out emails, which have been received since you submitted your registration.

You will receive an email from OpenInvoice to confirm your data. ****Please confirm your data.***

OpenInvoice will guide you through the final steps to finalize your account set up and initiate the on-boarding process with Maverick.

Once you have completed registration, Maverick will have the ability to perform all necessary functions to begin your e-commerce enablement for electronic invoicing.

6. After the e-mail confirmation, please notify Maverick of successful registration by e-mailing us your legal company name at vendors@mavresources.com.
